

Are you interested in local wildlife and would like to get involved with local conservation and recording of species in Horndean and surrounding areas?

If so we would like to invite you to join us on

Tuesday 12 April 2016 at 7:00 pm at Napier Hall, Portsmouth Road, Horndean, PO8 9NL

The Event is free and after a short AGM and review of last year we will hear from some of our enthusiastic local members and volunteers. They will explain how surveys and countryside management plans undertaken by local naturalists and photographers play a vital role in helping to save our natural heritage and how you can join us and be part of our local conservation.
